Dear Ms Filby,

Re: Cervarix - serious, long-term side effects and terminological inexactitudes

With regard to your recent correspondence dated 13/01/2011, your comments are noted.

I reiterate my position that the public have not been misled by the MHRA or any of its staff over the safety of the Cervarix vaccine.

Yours sincerely,

Mr Mick Foy
Pharmacovigilance Signal Management Group Manager
Vigilance and Risk Management of Medicines
